

Himalayan Singing Bowls Export Catalog

Artisanal Handcrafted Meditation & Sound Healing Instruments

1. Company & Heritage

Authentic hand-hammered singing bowls crafted in the Himalayan foothills using ancient 7-metal alloys. Each bowl is meticulously tuned to specific chakra frequencies: Root (C) through Crown (B).

2. Product Lineup & Master Craft Collections

- Full Moon Bowls: Crafted exclusively under full moonlight for acoustic clarity and sustained resonance.
- Tibetan Therapy Bowls: Professional grade, 8 - 14 inch diameter for deep therapeutic sound baths.
- Antique Engraved Series: Traditional mantra etchings (Om Mani Padme Hum) with matte gold patina.
- Premium Accessories: Hand-carved rosewood mallets, wool felt strikers, and pure silk cushions.

3. Export Quality, Packaging & Global Logistics

- Acoustic certification and frequency graph provided with every wholesale batch.
- Double-walled shock-absorbent packaging designed specifically for fragile international air freight.
- Global door-to-door shipping via DHL Express & FedEx Priority with full transit insurance.
